Some sites display releases longer than others; links will expire as sites rotate their content.

If you would like future reports to be sent to another person in your organization, email your request to ReleaseWatch@PRNewswire.com (US) or ReleaseWatch@PRNewswire.co.uk (UK), or simply alert a PR Newswire editor when you send your next release. You can also [permanently opt out](#) to discontinue receipt of this automated ReleaseWatch email report. Note that doing so also opts you out of the US1 Media Monitoring service.

Forwarding a ReleaseWatch report can cause the links to be broken by your email program. If your email system adds spaces or characters to offset forwarded text, the links may not work for the person to whom you are forwarding the report.

PR Newswire sends member news to over 4,000 Websites, databases and online services in addition to the comprehensive distribution to traditional media outlets reached with your selected PR Newswire newswire.
